METROPOLITAN

Office of
Theodore Roosevelt

June 5, 1916.

My dear Mr. Forbes:-

Colonel Roosevelt is so overwhelmed with mail at the present time that he has asked me to thank you for your very kind letter of May 26th. He is especially interested in the plank which you sent to the Methodist Conference to be included in their public address to the country; and wishes me to thank you most sincerely for the work which you are doing in his behalf.

Sincerely yours,

Philip J. Roosevelt
